## Preschool News

Dear Families,

Week of 10/13, 10/19, 10/26: The last three weeks has been quite busy in Preschool! We made leaf collages by gluing leaves on paper, we've practiced painting with water colors, played feed the monster to practice our letters, played with the barn and farm animals on the felt board, and jumped into piles of leaves. We've also done glitter and dot painting, practiced putting together puzzles, made banana bread, made pumpkin spice playdough, practiced building roads in the block area, and went for our fall hike with Tin Mountain. We had Paddington Bear visit from Believe in Books, we went on a leaf hunt, carved pumpkins, played ABC Bingo, and set up an obstacle course. We've also made bead patterns, stacking towers, pattern blocks, pegboards, Magna-tiles, Wikki Sticks, droppers with food coloring, and ABC bowls. We made ghosts out of Kleenex and chenille stems, paper plate spiders, and our Halloween Celebration table cloth using Halloween stamps. We had an artists in residence, Allison Aldrich Smith and Hunt Smith, lead workshops focusing on American music. The children had the chance to dance with the Kindergarten, first, and second grade. They had such an awesome time, and I was so impressed with the way they followed directions. Forest Friday's have been rainy but quite successful! The children have been building "Camp fires", and forts. They have also been pretending to ski, pretending to play hockey, build leaf garland, made letters, and much more. Their time in the forest has been teaching them how to move their bodies in that environment, how to work together to accomplish a goal, and is building large and small muscle strength and control.

### Apple Project:

Ms. Lori from Tin Mountain was our visiting expert. She read the children a book about how apples grow. Then the children sorted the apples, by color, size, etc. We talked about the kinds of animals that eat apples, and ended the lesson by walking the school grounds counting the apples trees, looking at their differences, and looking for the holes in the bark from woodpeckers. We will be finished our apple project this week by making apples pies to enter into the contest this weekend!!

## Rhyme of the Week: Jack Sprat

10/13 & 10/19:

Jack Sprat could eat no fat,  
 His wife could eat no lean,  
 And so between them both, you see,  
 They licked the platter clean.

## Important Reminders

- JBES locks their doors between 9:00am-3:30pm. If you are dropping off or picking up during these times you must go through the front office.
- Please sign your child in/out at drop off/pick up
- Please call when child is going to be absent
- DO NOT** send your child to school if they have a fever, vomited, or diarrhea in the past 24 hours. If your child is sent home with any of these symptoms they may not return until 24 hours after that symptom has gone.
- In the event school is closed due to weather related issues please listen to 93.5 FM, WMWV for cancellations and delays. I will also have a sheet for you to sign for one number that you would like to be placed on the JBES automated line for delays/closings due to weather related issues. This message is sent out quite early in the morning in order to give you plenty of time to plan for alternative care.
- If there is a delayed start = a two hour delay BCP will open at 10:00am. If there is an early release BCP will close at 12:30pm.**

*You and your child are important to us.*

Should you wish to share something good a teacher has done

or if you ever have a concern, please:

Speak to or Call: Ann Auger Telephone: 603-374-6803

## Access to Nature Study

I have attached a consent form to be a participant in a study I am conducting for my Master's Program. I will be interviewing the first three to four families that give me back their signed consent forms. The attached sheet has more information about the study, and what I am trying to accomplish. Your participation would be greatly appreciated!!

## A few schedule changes

P.E. will be on Tuesday afternoon's rather than Monday's.

We will begin preschool at 9:00am. If you would like to have your child eat breakfast please arrive no later than 8:45. Thank you!

## Forest Friday's Gear

Since we will be going out into the woods every Friday, regardless of weather, it's very important that your child has the proper clothing to keep them warm and dry. Your child will need:

- Warm clothing, including a sweater or fleece coat
- Rain coat
- Rain boots
- Hat
- Mittens (As the weather gets colder)

Please **label all** of your child's clothing, mittens, and boots!!
